

Presented by the Geelong Quality Council

*Hosted by **MHG Glass Pty Ltd***

Continuous Improvement Best Practice at MHG Glass

Friday 30th May 2014

9.30 am – 11.30 am

MHG Glass, 24 Mackey Street, North Geelong

Best Practice

Come see the team from MHG Glass showcase their improvements, quality achievements and savings through the continuous application of Lean systems and tools.

Be impressed by their excellent Visual management, Shop Floor Training Centre and their desire to remove the wastes in a process not just once but to revisit again and again in search of a true Lean Process.

Factory Tour

During this tour, attendees will see and hear about:

- Shop Floor Training centre / quality awareness / competency testing.
- Value add relocation project, rapid efficiency and quality improvement.
- Supercell efficiency and quality evolution.
- Quality tools: (Element Instruction Sheet / Change Point Management / 8D Problem Solving / Quality Focus Group)

Agenda

9.30	Earliest registration
9:45	GQC and MHG introduction
9:55	Site tour in small groups
11.00	Question and answer session in conference room with tea / coffee
11.30	Close

Attendees to wear closed toe shoes (preferably steel cap) and bring high visibility vest and safety glasses if you have them (some will be available).

Cost: \$30 - Payment details will be provided upon acceptance of registration.

Further details from: Peter Birch 0438 006 765 or Richard Hamilton 0402 973 894

BACKGROUND INFORMATION

Geelong Quality Council

Vision

We aim to contribute to the development of a prosperous Geelong community as a not for profit resource that supports individuals and organisations to achieve operational excellence.

Purpose

To assist Geelong region organisations achieve *operational excellence* by facilitating information sharing on management systems/sustaining, lean/waste reduction philosophies, 6 sigma /systematic problem solving principles and emerging quality approaches. We do this by:

- Arranging regular, low cost, site visits, seminars and workshops focusing on sharing methods and tools that assist in achieving operational excellence.
- Creating a collaborative learning environment where experienced people from a diversity of organisations can share their knowledge and network with others for the benefit of the community.
- Offering experiences for students to learn about operational excellence.

Values

GQC encourages a respectful open environment where diverse views are welcomed in a manner that accords with ethical business practices.

Committee

Our committee meets on the second Thursday of the month from 8am-9am at the offices of the Geelong Manufacturing Council, 82 Brougham Street at corner of Yarra Street, Geelong, to plan the activities of the Geelong Quality Council. Meeting dates are on our web site. We welcome new members to our committee.
