

Presented by the  
Geelong Quality Council  
Hosted by  
Air Radiators

## Air Radiators: Daily Management in action

Friday 21<sup>th</sup> May 2021,  
7:30am registration; - 7:45am start – 10:00am finish  
Air Radiators, 45 Heales Road, Lara

### Presentation Format

Air Radiators has been a significant manufacturer of heat exchange equipment for over 30 years in it's Lara operation.

Given the complexity of customised products, many of which are one-off designs, the manufacturing plant can be challenged to meet delivery schedules, maintain excellent quality and manage the logistics associated with these products.

Mark Power and his team have met this challenge by creating their Obeya room, and they meet to interrogate their daily progress and scheduling needs, along with safety, Quality, Sales & Planning SME's, to define the next 24 hours.

At this event, you will:

- Attend a 'live' Obeya meeting, and witness it in action
- Have an opportunity to question the Obeya process for the 7 departments concerned after the meeting.
- Partake of a plant tour of this facility, and see great examples of visual management and 5 S, and efficient workplace layout throughout the organisation
- See effective teams operating, doing the actions from the Obeya meeting to meet customer needs armed with clear goals, clear direction, and excellent results!

### The Agenda

7:30	Registration – in reception
7:45	Welcome & Introduction ( <i>Mark Power</i> )
8:00	Obeya meeting ( <i>Mark Power</i> )

**PPE for Tour: Closed flat shoes, long pants.**

Hi-Viz vest, Safety Glasses, Ear Plugs, are required, and will be provided if required.

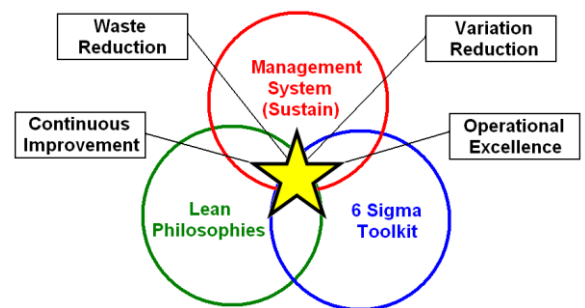

## BACKGROUND INFORMATION

---

### Geelong Quality Council

#### Vision

Geelong's leading volunteer organisation of experienced Quality professionals and practitioners committed to help local individuals and organisations achieve Excellence, making Geelong more prosperous.

#### Purpose

To assist Geelong region organisations, achieve excellence by facilitating information sharing a range of Quality & related philosophies, tools & best practices designed to help improve organisation outcomes for customers, employees, and the community. We do this by:

- Arranging regular low cost, site visits, face to face & online seminars and workshops.
- Creating a collaborative learning environment where experienced people from a diversity of organisations can share their knowledge and network with others for the benefit of the community.
- Identify & show case best practice.

#### Values

- Learning in all forms such as by seeing, doing, and sharing as part of a lifelong experience
- Diversity of participation and perspectives
- Integrity and conducting ourselves ethically and respecting participants.
- Geelong, its community, and the organisations that participate to see best practice.
- Improvement & innovation.
- Fun and optimism that comes from self-development, with others on the journey to excellence.

#### Committee

Geelong Quality Council meets on the second Wednesday of the month from 5:30-6:30pm. For further information, please contact Richard Hamilton, 0402 973 894, email: [Richard@improvement.net.au](mailto:Richard@improvement.net.au) web site: [www.gqc.org.au](http://www.gqc.org.au)
