**Online**

In God we trust; all  
others bring data.

W. Edwards Deming

**Dr Jackie Graham**, Statisticaledge, will introduce you to Deming's System of Profound knowledge. Jackie had the privilege of working with Dr Deming during his seminars. She has made an immense contribution to Australian organisations such as Ford, Downer, Fulton Hogan, The Royal Australian Mint. Jackie is also a big Cats Fan and was instrumental in introducing statistics into the AFL.

### 12 Days to Deming, Jenny Perks

Starting at the end of September, this study program created by Professor Henry Neave has the potential to transform your thinking, your appreciation of Quality Systems (and why we don't get them), your organisation and you. The program is strengthened through shared collective learnings, insights and implementation through facilitated sessions.
